Information to California Proposition 65

Dear Sir or Madam,

the Safe Drinking Water and Toxic Enforcement Act, 1986 (also known as California Proposition 65) is a California law enacted in 1986 that promotes clean drinking water. The purpose of this act is to protect drinking water sources from toxic substances that cause cancer and birth defects and to generally reduce or eliminate exposure to these chemicals by requiring warnings of such exposure.

According to our current knowledge, the following substance(s) is/are contained in selected articles:

Lead (CAS 7439-92-1)
